### **NITheCS IDRП Quantitative Finance Research Programme 2023**

This funding is part of the Department of Science and Innovation Industry Directed Research Programme (IDRP).

These fundings are available to students under the supervision of a NITheCS Quantitative Finance Research Programme associate.

The partial sponsorships amounts to R30 000 and this is split into two payments: 1<sup>st</sup> payment of R15 000 to be done once the research project proposal is accepted by the NITheCS Quantitative Finance Steering Committee and second payment of R15 000 to be done when the paper is accepted by a prestigious peer-reviewed journal (B, A or A\* - ABDC ranking)
