

InSPiR2eS Global Pitching Research Competition 2025 (IGPRC2025) General Information & Timelines ... **AAFA Chapter**

Background

Following on from the great success of the first three editions of the InSPiR2eS Global Pitching Research Competition (IGPRC) ... [IGPRC2022](#), [IGPRC2023](#), [IGPRC2024](#) ... the fourth edition IGPRC2025 is now underway! In partnership with the African Accounting and Finance Association (**AAFA**), and our **Platinum sponsors**: Corvinus University of Budapest, Elsevier and APAEA, we are very pleased to announce an **AAFA** competition that feeds into IGPRC2025. **The information below is specifically directed to the AAFA Chapter competition!**

Core Task

The core task of this competition is to produce a written 1,000-word novel research pitch using the “pitching research” framework, PRF (see the skeleton PRF tool on the following page). For a detailed explanation of the PRF, see the latest version of the SSRN paper “[Pitching Research](#)” [[Faff \(2024\)](#)].

Eligibility

- open to research-enabled and research-focused students from any discipline: (a) currently active Higher Degree Research (HDR) students e.g., PhD, Masters; & (b) ECRs, within 5 years post-PhD graduation.
- participants must have an African university affiliation.
- participants must register as [InSPiR2eS](#) members (free membership).

Competition Prizes and Awards

The total prize pool for IGPRC2025 is approximately €10,000. For the **AAFA** Chapter competition, the overall **AAFA** winner receives €300; second receives €200, and third place receives €100. Additionally, the **AAFA** winner will automatically advance to an all-Africa competition, in which a small select set of Africa-based Chapter winners will vie to be crowned the Continental winner (with a €1,000 prize). **AND then**, the all-Africa winner automatically advances to the grand-final phase of the IGPRC2025 ... and maybe win the major IGPRC prize!
